

AYSO Region 96, Tustin Financial Aid Policy

The American Youth Soccer Organization (AYSO) is a non-profit, all volunteer program. Our mission is to provide soccer opportunities to as many young athletes as possible in a fun, fair and safe environment.

Our basic policy is that parents/guardians should finance their children's registration fee to the "extent that they are able." In that our goal is maximum participation, financial aid has been established in our region to help parents/guardians with the registration fee. AYSO financial aid is based on financial need of families who are not able to pay for all or part of their child's registration in order to participate. Because there are limited funds available, financial aid will go to families who demonstrate the greatest need while funds remain available.

Criteria:

1. Parents/ guardians must complete the financial aid application form. (information provided will be held in complete confidence).
2. Families receiving first consideration will be those able to provide documentation that supports the financial need such as proof of current government financial aid or that the child is a participant of a free school lunch program (Title I student). In addition or as an alternative, AYSO will also give priority consideration to recommendations received from government agencies, social agencies or school administrators (such as school principal).
3. A separate application is required for each child.
4. Children that reside within the TUSD school district boundaries will receive first consideration although this is not a requirement for approval.
5. Amount and type of previous volunteerism provided by the applicant family or child may improve consideration for financial aid. Failure to meet previous volunteer commitments or lack of willingness to volunteer will also be a consideration.
6. Financial aid applications should be submitted for approval at any regularly scheduled Region 96 registration event or may be submitted to the Regional Financial Aid Director or to the Regional Commissioner or Vice Commissioner.
