All championship matches are scheduled for Sunday, December 4th.

Special Tournament Rules

All matches for all divisions are single elimination.

If there is tie at the end of regulation all matches except the championship matches will go immediately to FIFA Kicks From The Penalty Mark (aka penalty kicks) to determine a winner. *Please remember that only those players remaining on the field at end of regulation can take part in the kicks to determine a winner.*

Championship matches will play two **full** 5-minute extra time periods (*not sudden victory*). If there is still no winner after extra time then the match will go to FIFA Kicks From The Penalty Mark (aka penalty kicks).

Trophies, Medals and Advancement

Each player on the 1st and 2nd place teams will receive a medal, and a (*one*) trophy is presented to the team.

The finalists (1st and 2nd place) in each division will advance to the Area Q playoffs.

Tournament Director

Any and all decisions of the tournament director and the regional commissioner are final. This may include the automatic promotion of the higher seeded team if games are canceled for any reason and rescheduling is not possible.
